GIGO OR IN OTHERWORDS THE MEETING

Well July was not any better than June as a meeting month. We did have 9 members and a good time. We discussed the South Milwaukee swap/hamfest that was upcoming along with normal club news.

As a surprise we had a guest. Brother Mateja called on Wednesday to get directions to the meeting. It seems he has the software for the QL digitizer and wanted to demonstrate it for us.

He made it about 8:30-9:00 with the programs. We loaded them on the QL and ran the demo program. The demo is really fantastic. It has a 4 second run from a video digitized on disk. You can run it at normal speed or slow and watch the action.

This action can be paused or zoomed to better display the picture. The monitor we were using was a black and white so I can't report on color, all though you could see there was color. Since there was no digitizing hardware we couldn't add to the demo or try out any of the other features. But I think the QL digitizer is a great thing and a way to enhance the QL computer as a modern computer.

He purchased the program from Paul Holmgren and I hope he brings a demo to the Computerfest in Dayton. You will be suprised at what it can do.

Well I hope we see you at the next meeting. We should have a nice meeting and a good discusion.

Have You Heard OF RMC ENTREPRISES?

IF NOT, WHERE HAVE YOU BEEN!
WE HAVE BEEN SERVING THE T/S COMMUNITY
SINCE 1981 AND WE ARE NOW THE WORLD'S
LARGEST TIMEX/SINCLAIR DEALER!
FOR JUST \$3.50 (REFUNDABLE) YOU CAN GET A

PRESIDENTS PROGRAM

Well January is fast approaching and we need some more new blood to run for officers. Think about it. Along with that we need people to help with other things. Like getting a demo or some kind of meeting talk. It doesn't have to be every month but maybe once in a while. We even need a committee to nominate members to run for officers. Well just think about it. We can use you.

There is a new newsletter in the works. I just got a copy and it seems like it will be a good one. It is for the QL only and it is called the "Internaional QL Report". Its published by SeaCost Services. Their address is 14 Kilburn Court, Newport, RI 02840.

Along with that I received a letter from Franz Herrmann of the Sinclair QL User Club e.v. He sent us a letter asking for a swap. The address is Franz Herrmann, TalstraBe 21, W-5460 Ockenfels, Germany / West

Upcoming computer/ham shows: Sat. & Sun. Sept. 21-22 Radio Expo Grayslake Il. \$5 in advance \$6 at door. Sat. Oct. 5, 1991 Fallfest '91. Greenbay Community Center 8am til ?. \$2 at the door. The Kettle Moraine Radio Amateurs Swapfest, Sunday, Oct. 13th, 1991, Waukesha Expo Center. \$4-\$5 at the door.

The Sinclair Milwaukee Users Group (SMUG)

We are a not-for-profit group devoted to serving the interests of those who own, use, and/or are interested in the Timex/Sinclair family of computers.

Editor and contact person is:
Bill Heberlein (414) 527 2191.

SMUG maintains a gratis exchange of newsletters with approximately 30 Users Groups across the U.S. and Canada. Clubs not sending newsletters for more than 6 months are removed from our mailing list.

Newsletter subscription is available for only \$10 per year to non members or free with a club membership. A club membership is \$20 per year for a family membership.

Advertising cost for 1/2 page ad running for six months is \$10. The ad copy may be changed each month but you must supply the copy.
